Strider™ PREbike

If your toddler can walk, your toddler CAN ride a Strider™. Never need a tricycle. Never need training wheels. With the Strider Balance Bike™, there are no tricycle “tip-overs" or "training-wheel wobbles" to create a fear, hesitancy, or dislike of bike riding. The Strider™ running bike helps toddlers learn balance and coordination BEFORE pedaling, which develops glittering confidence. So ditch the tricycle and training wheels, and teach your child to ride a bike sooner and safer with a Strider™.

Designed for children, ages 1 - 5, the U.S. patented Strider™ PREbike is lightweight, easy to control and features an adjustable seat and handlebars to accommodate a growing child.
